TUESDAY EVENING, AUGUST 10, 1878.

NEW WAY TO PAY OLD DEBIS .- A New York Herald correspondent at the White Sulphur Springs says the sensation in Virginia for a month has been the proposition of the women to pay the State debt, and fit is not unlikely that some fair dame will give herself a send off for history and posterity as a sort of mother of the Gracehi, with piles of money instead of "gems." The writer had the good luck to see one of the secret documents, which was a list of committees for the various counties, the chairman for each being selected with an eye to the influence of beauty as well as talent. Another paper was a list of the first subscribers, with notes opposite to each name, somewhat as follows:-

This sum is the amount saved to buy me a summer hat. Twenty five per cent. of my pocket money.

Half of the money given me by papa to go

to the Springs. Each delicate specimen of chirography seemed to photograph a little womanly protest against the conduct of the "horrid wretches," which in the feminine technology means the repudiators. It may be supposed that every town and county will have such a document to list the names of the fair rescuers of Virginia's credit and honor, and shortly we may read in full bow much a pieback, a bonnet er a striped stocking is worth when thrown into the scale against repudiation by a fair white hand. Mrs. Russell Robinson, a gorgeously handsome wo-Dian, always attired by Worth, of Paris, is one of the principal spirits of the movement. She belongs to one of the old families, and with her beauty and position will carry much influence. The Virginians are as noted for their love for the sex as for their personal gallentry, and we may look for an exciting time when the ladies move against the "horrid wretches," for the man who says aught against the movement will be pronounced unknightly and may have to be whipped by a Lusband or brother. Wall street take notice.

ICE CREAM, SODA WATER, &c. ICE CREAM.

My Ice Cream Manufactory, one of the largest in Virginia, still continues to supply private customers, Sunday schools, excursions, picnics fairs, festivals and associations, as well as the trade, with that SUPERIOR CREAM that has made a name in this community, and is known everywhere as BRENGLE'S ICE CREAM. I could easily reduce its price by lowering its quality, but good cream, of fresh, pure, wholesome ingredients, cannot be furnished at a less price than I serve it. Of course, I could "grade my cream by the price," but my cream would lose the good name that years of fair dealing have won for it. I ask that persons abroad ordering "Brengle's Cream" from third parties will assure themselves that the cream sent is certainly from my establishment. I warrant my cream, and do not wish that inferior cream, sent out as mine, may injure its reputation. It is my aim to furnish the BEST CREAM IN AMERICA, and my customers are satisfied that I do so. HENRY BRENGLE.
